

Pre-Engineering Suggested Supply List:

1. 4GB flash drive or higher

2. Loose Leaf Notebook Paper (*approx. 10 sheets per week*)

3. Vinyl folder with pockets and prongs – any color

4. Lead Holder or **Mechanical pencil** with corresponding lead (#2 HB Lead, and 2H lead), if you have a lead holder, you will want a sharpener as well

5. White plastic eraser

6. 1 Black felt-tip pen (if Sharpie brand, choose “no-bleed” variety)

7. **Copy paper**/Printer Paper/Vellum (Paper with no lines) – *will need approx. 10*

sheets per week

8. 45-90 degree plastic triangle (recommend 4” or larger)

9. T-square (Plastic or Metal, 12” or bigger) *to be kept at home for HW and Projects*

10. Metric ruler (metal and flexible rulers last longer in bookbags)

11. **Compass** and or circle template

12. Drafting tape/thin width **masking tape** (*to be kept at home for HW and practice*)

13. Crayola Twistable Color Pencils

14. Headphones or Earbuds

*All items highlighted in **BLUE** are optional items that would assist work done at **HOME**.

*Items in **BOLD** are the more economical approach.
